Chairman Morthorst stated that containers for the clean-up should be placed at Druce Lake and Third Lake boat launches.

Commissioner Rieth stated that maybe Mr. and Mrs. Bull might be interested in the clean-up and maybe they could interest some of the neighbors in the unincorporated Druce Lake to help out. She said that she would check with them.

Commissioner DeLacluyse suggested that there be an initial meeting spot for everyone to get their instructions.

Chairman Morthorst asked if there should be 3 team leaders for the clean up.

Commissioner Rohrer suggested that the starting point be the boat launch in Mariner's Cove. Chairman Morthorst agreed with him.

Lakes Commissioner members suggested that a notice be mailed along with the Vine in March and April.

It would read something like this:
