ComEd Requests Residents' Support of National Electrical Safety Code

As residents' electrical provider, ComEd has an obligation to meet all state and federal requirements for maintaining minimum clearances

around and beneath its distribution and transmission lines to prevent power outages and ensure quick access to electrical equipment. The Illinois Commerce Commission has increased its focus on ensuring utilities are meeting these requirements, known as the National Electrical Safety Code.

Citizens can do their part to help in this endeavor. Power lines, underground cables, poles and ground-level equipment need space. To maintain and operate equipment, and to avoid damage to customers' property, ComEd needs the cooperation of citizens with the placement of infrastructure and landscaping additions.

Property owners are responsible for providing proper electrical service clearance and may face termination of their electrical service if code guidelines are not followed. Driveways, roofs, porches, gardens, swimming pools and other home features all require varying, specific minimum clearances. Individuals may refer to ComEd's Residential Electrical Service Installation Guide for this information. This guide can be found at www.comed.com/sites/customer-service/Pages/Construction.aspx.

Spring Cleaning Pick Up

**Waste Management
Spring Cleaning Pick Up
will be May 10, 2011**

Cardboard Recycling

Are you aware that the Village receives money back for recycling cardboard? The Village is reimbursed by the Solid Waste Agency of Lake County (SWALCO) per ton of cardboard recycled each year. This money helps to offset the \$1.00 per household per year Operations & Maintenance fee charged to the Village by SWALCO. Every little bit helps!! So please remember to place all cardboard in your recycling container. If you can't fit it all inside, it can be placed on top of the recycling container.

**ANYTHING THAT IS NOT IN OR ON TOP OF
THE RECYCLING CONTAINER WILL BE
PICKED UP AS REGULAR TRASH.**

PHONE FIRST

The Village Hall regular office hours are Monday & Wednesday from 8:45 until 3:00; Tuesday & Thursday 8:30 until 2:30; Friday 8:45 until 2:15. However, due to unexpected situations, the office may be closed without notice. Please call ahead if you need to come to the office to be sure someone is there. 847.223.8422

Lake County Announces New Dental Discount Card Program for Lake County Residents

A new dental discount card program is now available that will help Lake County residents save money. The NACo Dental Discount Card Program, provided by the National Association of Counties (NACo) in partnership with Careington International Corporation, can help Lake County residents save up to 50% on their dental care services, and 20% on orthodontic services. Visit www.nacodentalprogram.com for more information.

Veteran's Assistance Commission

The Veteran's Assistance Commission of Lake County offers many free services and assistance to veterans. Lake County has a veteran population of 40,000 and the Veteran's Assistance Commission is currently serving 9,000 veterans or their families. For more information, call 847-377-3344.

Lake County PASSAGE Launches New I-Phone Application

Apple I-Phone users can now access real-time Lake County traffic information through the new Lake County PASSAGE app available free at the Apple App store. The new I-Phone app allows users to report incidents directly to PASSAGE and submit pictures, location, and description. It also has the ability for the device to detect the individual's current location.

Like the existing web application, users can also get real-time congestion information, view a map of road conditions and events, including crashes, stalls, debris, and other roadway incidents, as well as camera images of major intersections.

The I-Phone App is another feature of Lake County PASSAGE, which includes Lake County's email notification program whereby users can sign up for real-time traffic alerts for designated roadways.

Lake County PASSAGE was extremely useful during the recent blizzard

Leading up to and following the storm (Feb. 1 - Feb. 4), DOT sent more than 34,000 email notifications. That is 4,500 more emails than DOT sent during the entire month of January. Also, the PASSAGE website had more than 20,000 hits during the week of the storm, compared to 6,651 the previous month.

Lake County Sheriff's Department House Watch

House watches provide for the random check of your residence while you are away on vacation or for any other extended stay.

Requesting a House Watch

You may contact their 911 Center at 847-549-5200. They will ask you a series of questions necessary to establish a House Watch.

Lake County Connections Newsletter

The Lake County Board's Newsletter, *County Connection* aims to connect you with Lake County services and keep county government transparent by showing you how they are spending your tax dollars. To view the electronic newsletter with interactive features including videos, please visit www.lakecountyiil.gov. You can also sign up for regular news and announcements from your County Board member on the County's website.

Expired and Unused Drug Disposal

The Lake County Health Department has joined P2D2, the Prescription Pill and Drug Disposal Program of Highland Park, which is working to keep prescription drugs out of the water supply and out of the hands of children. To read more about the program, visit www.lakecountyiil.gov/health/want/documents/p2d2.pdf
