#### **Annual Spring Clean-Up**

Week of May 1st, 2017 on your regular scheduled pick up day.

Spring Clean-Up offer a one-day Spring Clean-Up service to provide an oppor-

tunity to dispose of items that are not generally included as part of garbage collection service. Special refuse is considered anything other than your regular household waste (furniture, appliances, boxes, tires, etc.) but does not include hazardous waste (paint, gas, chemicals, etc.) or building material (wood, lumber, drywall, etc.) or landscape waste (trees, branches, logs, leaves. etc.).

Before placing items out for pick up, please consider donating to a worthy organization. Several local organizations will pick up your slightly used items such as building materials, home furnishings, tools, appliances, exercise equipment, clothing, electronics, etc. Contact one of the following organizations to arrange a pick up that will re-purpose household items and help someone in need.

#### **REUSE-A-SHOE PROGRAM**

Every year, across the globe, millions of pairs of shoes end up in landfills or disposed of in some way, creating a lot of waste. It is estimated that 85% or more of these unwanted items end up in our landfills, which here in the U.S. and around the world, are filling up fast.

With the pursuit of sustainability in mind, **SWALCO** developed a program to reuse those shoes and they have been offering the program for over a decade now. Many tons of shoes have been collected through this program to date, and, these tons, have all been recycled or reused.

At the November Board Meeting, 10 year old Nathaniel Kowalke petitioned the Board to see if they would be willing to participate in the Reuse-A-Shoe Program in conjunction with **SWALCO**. The Board agreed to participate.

The Reuse - A - Shoe collection box is in the lobby of the Village Hall. Shoes may be dropped off during regular business hours.

March 25, 2017 9am - 12pm Restoration Workday: Rollins Savanna

Restoration workdays happen every weekend at Forest Preserves throughout Lake County. Volunteers should dress in long pants and sturdy shoes, and bring work gloves.
