Are you aware that the Village receives money back for recycling cardboard? The Village is reimbursed by the Solid Waste Agency of Lake County (SWALCO) per ton of cardboard recycled each year. This money helps to offset the \$1.00 per household per year Operations & Maintenance fee charged to the Village by SWALCO. Every little bit helps!! So please remember to place all cardboard in your recycling container. If you can't fit it all inside, it can be placed on top of the recycling container.
