Low-Cost Pet Vaccination Clinic is Sept. 10 in Grayslake

The Health Department's Animal Care and Control program is offering low-cost pet vaccination clinics throughout the summer. The next clinic will be on Saturday, September 10 in Grayslake, from 9 a.m. to noon. It will be located at the Grayslake Police Department, 10 S. Seymour. The clinic offers an affordable way to update pets on their vaccinations and rabies tags. For more information on costs and services provided, go to <http://www.lakecountyil.gov/2486/Pet-Clinics-Costs>

Back-to-School Safety

Back to School Safety Alert

Stopped School Bus.....It's The Law!

- Vehicles must stop when the bus displays flashing lights and extends the stop signal arm. Vehicles may not pass until the flashing red lights and signal are turned off.
- Never pass on the right side of a bus, where children enter or exit.
- Vehicles traveling in the same direction are always required to stop
- Vehicles traveling from the opposite direction are required to stop, except on a divided highway.

Please remind new drivers in your family of the school bus law and to beware of students riding bikes or walking to school, especially in school zones. Students K-5 are difficult to spot when school buses and cars are present.

With the area schools back in session children are walking to their school bus stops in the mornings and walking home after being dropped off in the afternoons. Please be alert and look out for them as you drive through the neighborhoods. After school they are outside playing everywhere. Please watch for them as you are driving through the neighborhoods. SLOW DOWN!

thirdlake@comcast.net to be added to the list. Please remember to add:

thirdlake@comcast.net to your email address book to ensure receipt of email news.

Please include your name, address and phone number.

REMINDERS

Inoperable Vehicles

It is a violation of the Village Ordinance to park or store a vehicle which is inoperable or unlicensed in residential driveways.

Clear Paths

As a courtesy to Village residents and guests, property owners are required to trim trees and shrubs that extend into the sidewalks and streets. People should be able to walk on the sidewalks without bumping into them.

Building Permits

If you are unsure whether or not your project requires a building permit, please call the Village Hall for confirmation.

Some projects that you may not know require permits include:

- Hot water heater replacement
- Air conditioning unit replacement
- Furnace replacement
- Interior remodeling

Overnight Parking

There is no parking on Village streets between the hours of 2:00 am and 7:00 am. If you need to leave a car on the street overnight, you must call or email the Village Hall by 2:00 am. Leave a message including your name, address & the vehicle (s) license plate number (s). ***** PLEASE DO NOT FORGET TO LEAVE THE LICENSE PLATE NUMBER (S)*****

Pets and Pet Waste

Pets are not permitted to roam the Village freely. All pets are required to be leashed when not on the owner's property. Allowing your dog to deposit waste on another resident's property or on Village sidewalks or streets and not picking up the waste is a violation of our Village Ordinance.

Good Neighbor Tips

Being on bad terms with your neighbor can make your life frustrating, day after day. But taking the time to establish good terms with your neighbors has numerous benefits. The community will be friendlier, the neighborhood safer, and the area a nicer and more comfortable place to live.

1. **Introduce yourself.** Whether you're new in the neighborhood or new residents have just moved in on your block, introduce yourself. Say hello, offer a welcoming gift (the classic homemade pie never fails) and share or ask about the local area: "Where's the nearest pizzeria?" or "The garbage truck comes by on Tuesdays and Fridays, usually around 10 in the morning, but sometimes he sneaks in at 8."
2. **Consider your neighbors' lifestyle.** Get to know your neighbors-- what they do for a living, what their schedules might be like, and so on. Sometimes, you can remedy problems before they even start; for example, if they work nights, quiet mornings will be important for them. If they have young children, quiet evenings will be very important to them. Similarly, give them information that'll help *them* be more considerate of your lifestyle. If you do a lot of yard work, or if your teenage son plays the drums, let them know in advance and mention that if it's getting too loud, they shouldn't hesitate to let you know.
3. **Control your dog.** Keep your dog on a leash if it has a habit of running rampant on your neighbors' lawns, especially if they have a cat or a dog of their own, and make sure to clean up after it. If you have a particularly noisy dog, this may also become a source of contention for your neighbor. Put yourself in their shoes and imagine how upset you'd be if you or perhaps your newborn was woken from a much-needed nap by the sudden yapping of a nearby dog. If you have problems controlling your dog's barking or whining, consider seeking advice from your local vet.
4. **Alert your neighbor to parties.** If you're planning a party, be sure to give your neighbors plenty of warning, letting them know when it's going to start and how long you expect it to go on. Leave them a telephone number to contact if they need to ask you to turn it down. If you get on well with your neighbors, why not invite them too? When it comes to the party itself, stick to your agreed arrangements and ask your guests to be considerate when leaving.
5. **Keep your yard and garden tidy.** Weed your garden regularly, because the presence of weeds in your yard is not only unsightly but can also spread to your neighbor's yard. Mow your lawn regularly and keep your flowers, trees and bushes trimmed appropriately. Put equipment away as soon as you're finished with it. Ask if your neighbor has chemical sensitivities, small children or pets before applying pesticides.
6. **Put rubbish/garbage out on the right day.** Only put your rubbish/garbage out on the day it's due for collection. If you accidentally miss the collection, bring it back onto your property immediately and try to contain it well. Garbage can attract vermin, insects, and other pests, and is also unsightly. Keep your trash area clean and debris free. Wash your garbage cans if they begin to smell.
7. **If you have a snow blower and they don't, spend that extra 60 seconds to clear their walkway.** It will save them 60 minutes of hard work and they'll be grateful!

Carp-O-Rama

LAKE COUNTY
FOREST PRESERVES

PRESERVATION, RESTORATION,
EDUCATION AND RECREATION

Attention fishing aficionados—help reduce carp over-population at Independence Grove while competing for prizes.

Fish to your heart's content any time between 6:30 am to noon. *South Bay only.*

This one-day fishing competition is a chance to win prizes while helping us reduce the over-population of carp in the lake at [Independence Grove](#).

It's a catch-and-keep fishing event, or you can turn your carp in to us. No limit. *Carp only.*

First and second place cash prizes will be awarded for largest total carp caught (by weight), and largest single carp caught (by weight). Winners do not need to be present.

Cost is \$10 per person. Register and pay at the marina prior to fishing in order to be eligible to win.

Required:

A valid Illinois fishing license is required for ages 16 and older. Purchase at the [marina](#), many sporting goods stores, or from the [Illinois Department of Natural Resources](#). [State fishing regulations](#), including site-specific regulations, apply at all forest preserve waterways. Visit the [Illinois Department of Natural Resources](#) for full details.

Details:

The event is a fun way to help restore the lake's ecosystem, which is home to more than a dozen fish species. The common carp is the only non-native species among them and it is widespread throughout the lake. Carp are bottom feeders, an eating form that disrupts the habitat of the native fish.

The tournament takes place in the lake's South Bay. Due to the carp's classification as an injurious species, there is no limit on how many can be caught and removed during the event. Carp may be kept or turned over to the Forest Preserves.

[Independence Grove Forest Preserve](#) is located at 16400 West Buckley Road, Libertyville.

Call 847-968-3499 for more information.

FRESH PRODUCE AVAILABLE

Each summer, teens from low-income communities work at the Green Youth Farm in Lake County to grow produce while gaining paid work experience, entrepreneurial skills and exposure to healthy foods and cooking. This program is a partnership between the Lake County Forest Preserves, the Preservation Foundation and the Chicago Botanic Garden.

Fresh produce is available for purchase at a weekly farm stand:

Wednesdays, 9 am–1 pm, from July 13–October 12

The farm stand is located in the parking lot of the Greenbelt Cultural Center, at 1215 N. Green Bay Road, North Chicago.
