a great opportunity to spend time outdoors, make new friends who share a concern for the preserves and make a meaningful contribution. In one morning, one person can make a difference to the inhabitants of a prairie, wetland, or oak savanna. Hundreds of people over thousands of hours can make all the difference. Restoration workdays happen every weekend at Forest Preserves throughout Lake County. Volunteers should dress in long pants and sturdy shoes, and bring work gloves.

All ages invited. No prior experience is necessary for any of the above workdays.

NOTE: If the weather is questionable (thunderstorms, high heat index or sub-zero wind chill), please contact the Site Steward to confirm before heading out to the scheduled workday.

New volunteers and groups of four or more, please RSVP to Tom Smith, or your site's steward, so we can be sure to bring enough equipment for everyone.

**WATERCRAFT STICKERS/
REGISTRATION**

Get your boat stickers and keys starting April 1st. Every watercraft must have **both** a state registration sticker and a Village sticker. In order to purchase a Village sticker, **you must have a valid current state registration on file with the Village.** If you purchase a new boat, a processed application for state registration from the DNR will be accepted for this year. The Village has past years' registrations on file. If you are unsure of your status, please call the Village Hall. Boat stickers will not be issued without one of these documents. Village boat launch (in Sunshine Subdivision) keys may also be purchased at the Village Hall or through the mail. To order by mail, send a check payable to the Village of Third Lake for the appropriate amount, a copy of current state registration, and a list of your watercraft by type and state registration numbers. For your convenience, there is an application form on our website, www.thirdlakevillage.com. Or, visit the Village Hall during office hours. For Mariner's Cove boat launch keys contact the Mariner's Cove Home Owner's Association.
