BOARD HAPPENINGS

The following items have been approved by the Village Board:

✍ Accounts Payable dated February 16, 2016 totaling \$20,232.30.

✍ Treasurer's Report for month ending January 31, 2016.

THE VILLAGE WOULD LIKE YOUR INPUT...

The Village is researching implementing a mass notification system to notify residents of emergencies, snow events, high water events, etc.

In order to implement this system, we would need phone numbers and/or email addresses for all residents that would like to participate.

WHAT IS IT?

Digital Voice Dialer is revolutionizing the way organizations automatically deliver messages simultaneously to large groups of people. It delivers voice messages, emails and text messages.

FEATURES:

- Citizen Portal for individual access to opt-in, opt-out .
- Fast and accurate detection of human voice vs. an answering machine, thus reliably delivering full messages.
- The system administrator can set up an unlimited number of users to separate and control access to different groups and lists.
- Delivers thousands of calls quickly within minutes.
- Configurable number of phone numbers and e-mail addresses for each citizen.

If you may be interested in this notification delivery system, please email Gary Beggan @ gbeگان@thirdlakevillage.com

Sign up to receive important email notifications from the Village.

Send an email to:

thirdlake@comcast.net to be added to the list. Please remember to add:

thirdlake@comcast.net to your email address book to ensure receipt of email news.

REMINDERS

- ★ **Inoperable Vehicles** - It is a violation of the Village Ordinance to park or store a vehicle which is inoperable or unlicensed in residential driveways.
- ★ **Clear Paths** - As a courtesy to Village residents and guests, property owners are required to trim trees and shrubs that extend into the sidewalks and streets. People should be able to walk on the sidewalks without bumping into them.
- ★ **Building Permits** - If you are unsure whether or not your project requires a building permit, please call the Village Hall for confirmation.
Some projects that you may not know require permits include:
 - Hot water heater replacement
 - Air conditioning unit replacement
 - Furnace replacement
 - Interior remodeling
- ★ **Overnight Parking** - There is no parking on Village streets between the hours of 2:00 am and 7:00 am. If you need to leave a car on the street overnight, you must call or email the Village Hall by 2:00 am. Leave a message including your name, address & the vehicle (s) license plate number (s). ***** PLEASE DO NOT FORGET TO LEAVE THE LICENSE PLATE NUMBER (S)*****
- ★ **Parking on Village Streets is prohibited within 12 Hours after a snowfall of one inch or more**
- ★ **Pets and Pet Waste** - Pets are not permitted to roam the Village freely. All pets are required to be leashed when not on the owner's property. Allowing your dog to deposit waste on another resident's property or on Village sidewalks or streets and not picking up the waste is a violation of our Village Ordinance.

TUESDAY, MARCH 26, 2016

[Restoration Workday: Rollins Savanna](#)(9:00 AM) Grab some work gloves and join other volunteers to save some of Lake County's natural areas. Workdays are a great opportunity to spend time outdoors, make new friends who share a concern for the preserves and make a meaningful contribution.

Restoration workday coordinator:

[Tom Smith](#), Land Management Technician
Desk: 847-968-3329, cell: 847-276-5379

Smart Meter Installations Scheduled for Third Lake

ComEd crews plan to be in Third Lake starting April 25, 2016 to install smart meters at local homes and small businesses. This phase of installation is expected to end June 30, 2016. Installations will be performed by a uniformed meter installer with appropriate identification from ComEd or a ComEd-authorized contractor, Corix or MZI Group. A smart meter is a digital electric meter that securely sends energy-usage information to ComEd. ComEd will be installing smart meters that are certified by Underwriters Laboratories, further demonstrating the meters are safe and reliable. Residential customers with smart meters have access to online energy-management tools, high-usage alerts and weekly reports summarizing daily electricity usage to help them manage their electric bills. Smart meters will be installed in all homes and businesses across northern Illinois by the end of 2018. For more information, visit ComEd.com/SmartMeter.

Pet Clinics

Low-cost pet vaccination clinics provide a convenient and affordable way to keep pets up to date with their shots and rabies tags. Pets are taken on a first come first served basis. All animals brought to a clinic must be at least four months old. Dogs must be leashed and cats placed in carriers. Only cash will be accepted on site. For more information, call: 847.377.4700.
