Committee	November 7th
Plan Commission	November 15th
Board of Trustees	November 21st

Meetings begin at 7:00pm at the Village Hall

Thrive Psychiatric Services

Thrive Psychiatric Services are a staff of all psychiatric nurse practitioners that provide psychiatric medication management and therapeutic support for clients of all ages. We treat and manage a full range of psychiatric/mental health conditions including (but not limited to) depression, anxiety, bipolar disorder, ADHD, insomnia, eating disorders, trauma, behavioral disorders, addiction, obsessive compulsive disorder etc. We are in network with many insurances (BCBS PPO, Aetna PPO, United PPO, Cigna PPO and Humana PPO, we offer discounted cash price services as well). We have been in business in Third Lake since October of 2018. We pride ourselves on being a compassionate partner with our clients by spending longer times more than many other psychiatric providers. Educating clients and helping them make decisions about their care and treatment is key.

Camelot Care Center

Camelot Care Centers has been providing services to children and families since 1972 and have 5 additional locations throughout Illinois. Camelot Care Centers strives to serve youth in foster care in hopes of reunification back to family or to find them their "forever homes" through guardianship or facilitating adoption. Our comprehensive service line includes case management, foster parent support and training, in home counseling, therapeutic mentoring and access to tele psychiatry to help create healthy environments of care. All services provided are designed to maintain children at the least restrictive, yet most appropriate level of care and to support youth in care of Department of Children and Family Services (DCFS) in foster homes. Camelot specializes in higher level foster care for children and adolescents that may need extra support. For that reason we partner with our foster parents to provide trauma informed care and additional services, including in-home counseling, tele-psychiatry and therapeutic mentoring. Camelot's counseling program utilizes evidence-based practices focused on trauma as well as other treatment approaches to create solutions and to enhance recovery. Counselors draw on their professional training and skills to meet the unique needs of each individual, couple or family.

NAACP Lake County

The NAACP Lake County office located in Suite F, Waterstone Place operates in partnership with the IDPH (Illinois Department of Health) as an educational resource for health equity of Covid-19 impacted individuals families in the Lake County Community. We moved in one year ago in October 2021 and intend to work there throughout the remaining grant period. NAACP is a not for profit service effort funded by grants from the Illinois Department of Health. Office staff are on call by appointments only. NAACP Lake County can be reached at (847) 672-9251 or (847) or 445-9438. Dr. Sandra W. Leconte is the NAACP President. The NAACP provides Nurse practitioner speakers, literature, PPE equipment, rides to medical appointments, and monthly health seminars. In the past the grant provided assistance with rental, food disparities, utility bill payments, and legal matters involving evictions. The NAACP also supports youth scholarships, ACT-SO Academic Competitions for High School students throughout the academic year. We are unique in that we serve the entire Lake County Community. The National NAACP was founded as an interracial civil rights organization to protect the rights and advance justice for African Americans on February 12, 1909. Our office in Third Lake supports health education.

STAY CONNECTED

Want to know what's going on in the Village? Make sure you stay in the loop with important information on our website at ThirdLakeVillage.com and by connecting with us on Facebook.

It is also important that we have your email addresses and phone numbers for more time sensitive information and for those who don't use social media.

If you are a renter, we need to hear from you too.

Feel free to contact us at 847-223-8422

or email us at thirdlake@comast.net.

Make Sure You're Seen When You're Out and About on Your Exercise Routine!

Reflective gear can help alert other pedestrians, cars, bikes, motorcycles and others that you're on the road, especially for those walking during the early morning or late evening hours. Don't forget about reflective or flashing collars for pets too!

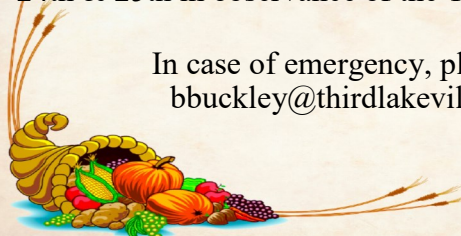

Daylight Savings time ends at 2am on November, 6th so don't forget to set your clock back one hour.

It's also a good reminder to test and inspect home smoke alarms.

The Village Hall will be closed on Thursday, November 24th & 25th in observance of the Thanksgiving holiday.

In case of emergency, please email bbuckley@thirdlakevillage.com

LAKE NEWS

DAM OPENING - NOVEMBER 1

The dam will be opening on November 1st. When the dam is open the water level will drop. Please have your boats out of the water.

PIERS -

Village Ordinance 21-01-01 requires you to remove your pier before the lake freezes to avoid damage.

BOARD HAPPENINGS

The 2022 Village Meeting Schedule is currently posted on the Village website. For further details of minutes and agendas go to www.thirdlakevillage.com.

The Village Board has approved the following:

 Accounts Payable dated October 11, 2022 totaling \$110,269.01.

 ORDINANCE NO. 22-10-01 AN ORDINANCE LICENSING AND PROVIDING FOR THE REGULATION OF THE SALE OF ALCOHOLIC LIQUOR WITHIN THE VILLAGE OF THIRD LAKE, LAKE COUNTY, ILLINOIS AND REPEALING ORDINANCE NO. 22-06-04

Want to know more about your community? Attend any of the meetings anytime. Meetings take place at the Village Hall and the public is always welcome.

Build an Emergency Kit for National Preparedness Month

To be fully prepared for a disaster you need an emergency kit. That's the message for National Preparedness Month. **Illinois Emergency Management Agency (IEMA)** wants everyone to review their family emergency plans, fill out a family communications plan, and build an emergency kit. It could be a matter of life or death because if you need to evacuate within minutes, you will need that kit packed and ready to go.

While some items recommended for an emergency kit seem obvious, like water and non-perishable food, others might not be immediately thought of during an urgent evacuation. Those items some families find critical in a disaster are; prescription and over-the-counter medicines, important documents like Social Security cards or insurance policies, cash, or personal care supplies like contact lenses and cleaners.

General preparedness items include:

- Water (one gallon per person per day for three days)
- Non-perishable food (three-day supply or ready-to-eat canned or other foods that require no refrigeration or cooking, non-electric can opener, utility knife)
- Flashlight with extra batteries
- First aid kit
- Battery-operated radio with extra batteries
- Extra battery/external charger for cell phone
- Copies of important family documents stored in a waterproof bag or container, cash
- Face coverings for all family members
- Hand sanitizer/disinfecting wipes

More tips can be on our website at Illinois Emergency Management Agency (IEMA): www.Ready.Illinois.gov

The Village Hall will be closed on Friday November 11th in observance of the Veterans Day.

In case of emergency, please email bbuckley@thirdlakevillage.com

Lake County Forrest Preserve Controlled Burn Season

Each fall and spring, certified crews conduct controlled burns across hundreds of acres of preserves. Burns are the most cost effective tool for managing native plant communities. Without fire, invasive plants such as buckthorn, honeysuckle and other aggressive, non-native plants would grow out of control. Burn crews are comprised of professionals who received training from the U.S. Forest Service. If you're concerned about smoke coming from a forest preserve that may not be a controlled burn, please contact the Village Hall.

We receive notifications before scheduled burns occur. To learn more or view and interactive map of daily burn locations, contact: LCFPD.org/burninfo

Fall Leaf Burning and Disposal

There are several ways to dispose of leaves this time of year. Composting, bagging or burning.

Burning - Dry leaves, brush, branches under 1 1/2" in diameter, and yard waste may be burned between November 1st and November 30th during the hours of 9AM and 3PM only.

- * Burning is only allowed in a fireproof barrel or other receptacle that is elevated above ground by at least 6" but no more than 24"
- * Burning is not permitted when wind is in excess of 15 mph, within 20' of any building or structure, within 25' of any wetland, lake or other body of water, or Lake County Forest Preserve property or on Village streets, sidewalks or other public right of way.
- * Fire must be attended at all times by a person 16 years of age or older.
- * Must have a water source and adequate means of delivering water immediately adjacent to the fire.

Bagging - Leaf stickers can be purchased at the Village Hall for \$1 during open business hours.
